How to Accept a Transfer Credit after Day 5
(The last day to add a course to your schedule)

- If your transfer credit was approved after the 5th day of class **or** you did not see your approval until after that day, you will not be able to accept the transfer credit in STU-VIEW.

- We will do it for you. It usually takes a day or two to update your record.

- Contact transfercredit@georgebrown.ca for the following:
    - You want to take the course instead of the transfer credit.
    - Your record has not been updated one week after you receive the approval email.
