

# Update Regarding Tuition Fees

## Tuition Payment Plan Option for Spring/Summer 2021

---

We recognize that COVID-19 has presented challenges for students, including unanticipated financial pressures. Therefore, we have established a tuition payment plan for the Spring/Summer 2021 semester.

The payment plan is available to new and returning domestic students and returning international students.

Students can pay their Spring/Summer 2021 semester tuition in full on April 9, 2021, or in three instalments, due on the following dates:

- First Instalment – April 9, 2021
- Second Instalment – May 21, 2021
- Third Instalment – June 18, 2021

### How to sign up for the tuition payment plan

Students can sign up for the Spring/Summer 2021 semester tuition payment plan on [STU-VIEW](#). The form will be available March 22, 2021 – May 21, 2021. Students must be registered for spring programs to qualify.

## Athletics Ancillary Fees Waived for Spring/Summer 2021

---

Given that the college's buildings are closed, and students are not able to access the Athletics & Recreation facilities, the college will waive the Athletics & Recreation and the Athletics Building Capital fees (\$78.03 per student) for Spring/Summer 2021 semester, as it did for the Fall 2020 and Winter 2021 semesters. All other fees will continue to be charged, since services continue to be offered to students.

## Minimum Deposit Amount Reduced for Spring/Summer 2021

---

In recognition of the continuing financial pressures caused by COVID-19, we have reduced the minimum tuition deposit fee for the Spring/Summer semester by 50 per cent. **This reduced deposit fee does not affect your tuition amount.**

New students who wish to register for the Spring/Summer semester will now be expected to pay the following non-refundable deposit by March 9, 2021. Please refer to your Registration/Invoice Letter for specific instructions.

- Domestic Students – \$250 deposit (previously \$500)
- Returning International Students – \$2,000 deposit (previously \$4,000)

Please note: New international students are still required to pay the full first semester fees to accept their offer and confirm their registration.
