How to use *Flywire* to make a Tuition payment

George Brown College is excited to introduce another platform to make payments. Flywire is committed to improving the payment experience for millions of students and thousands of institutions, no matter where they are in the world. Backed by their next-gen payments platform, proprietary global payments network, and vertical-specific software, Flywire helps remove geographic barriers to streamline the way education payments are made and received.

The Flywire payment option offers our International Students another option to pay their tuition fees. This option allows students to take advantage of the Flywire payment network and favourable exchange rates and service fees to use non-Canadian cards, international currencies, and bank transfers.

The Flywire payment method option is located within STU-VIEW
Step 1: Login to STU-VIEW and select the Financial Services menu item.
